Double Portrait Beuys , 2021

serie Double Portrait

digital print black and white

Image: 2x (120x80cm or 47,2 x31,5 in)

Edition of 3 ex + 1 AP

Description:

These two portraits of Beuys are strictly identical, no deviation, and yet the eye detects or invents differences. Tiny psychological differences seem to be revealed, a determined look at one, more tender on the other, or the reverse.
