#### *Rose Hommage à Pina , 2023*

mural Installation, 43 éléments Roses, orchid stem, vegetal elements, wood, chamois leather, brass

here : 350x260 cm

Unique artwork

courtesy Galerie Dix9

#### Description:

This installation of variable size is a tribute to one of the famous scenic arrangements created by Pina Bausch : the 6000 pink eyelet covering Nelken's scene. An arrangement that Anne Deguelle restores in the form of a mural diary made from roses offered or picked, dried, and treasured over the years.
