### Description:

Bottle resulting from Anne Deguelle's research on the emblematic-erotic Bouteille de Bénédicte featured in the first project by Marcel Duchamp for *The Bride Stripped Bare by Her Bachelors, Even*. Anne Deguelle's project took the form of a thematic collection now preserved between two collections: an installation of 900 bottles accompanied by three videos at the Musée des Abattoirs in Toulouse, as well as a documented corpus in the collections of the Kandinsky Library at the Centre Pompidou.

### Exhibitions:

2005, Abbey Road, Centre d'art contemporain Abbaye de Maubuisson, France

2002, Anne Deguelle Beaucoup trop alambiqué, Villa Vincelli, Fécamp, France
